R.D. Engineering College, Ghaziabad has organized a event on **World water day** for awareness of Healthy Environment in our life held on 22-03-2022 Monday.

Dy. Director Prof. Sanjay Paliwal Engineering was the resource person for the Awareness program. He delivered a presentation on "Awareness Program on Water Conservation" to the participants.

"Groundwater is a vital resource that provides almost half of all drinking water worldwide, about 40% of water for irrigated agriculture and about 1/3 of water required for industry. It sustains ecosystems, maintains the baseflow of rivers and prevents land subsidence and seawater intrusion. Groundwater is an important part of climate change adaptation process and is often a solution for people without access to safe water. Despite these impressive facts and figures, invisible groundwater is out of sight and out of mind for most people. Human activities (including population- and economic growth) and climate variability are rapidly increasing the pressure on groundwater resources: serious depletion and pollution problems are reported for many parts of the world. A World Water Day on groundwater would put a spotlight on this invisible resource, enhance knowledge exchange and collaboration and thereby increase the awareness of the importance of taking care of our groundwater."

The Vishwakarma Jayanti was celebrated in R.D. Engineering College, it was a resolution time for students and faculty. According to Hindu mythology Lord Vishwakarma is the divine draftsman of the whole universe and the official builder of all the god's palaces and the designer of all celestial vehicles and weapons. Lord Vishwakarma has four hands, wears a crown, loads of gold jewellery, and holds a water-pot, a book, a noose and craftsman's tools in his hands and is described as the God with multi-dimensional vision and supreme strength by Rig Veda.

During the celebration many faculty members with their students were present in the vishwakarma puja and arti

- Devotees clean and decorate their workshops, tools, and machinery. They perform elaborate puja (worship) ceremonies at their workplaces, offering prayers, flowers, and fruits to Lord Vishwakarma. Special idols or images of Lord Vishwakarma are installed and worshipped.
- It is an occasion to seek Lord Vishwakarma's blessings for skill, creativity, and success in their respective field.
