Resource Person: Dr. Anil Tomar

Faculty Coordinator:-Mr. Gaurav Rastogi

Student Coordinator:-Mr. Manish Singh

No. of participant:- 150-200,

No. of Persons who donate Blood :- 40-50.

R.D. Engineering College, Ghaziabad in association with **LG ELECTRONICS INDIA** has organized a camp on Blood Donation to raise awareness about the Donate blood and gift someone a precious life held on 28<sup>th</sup> June, 2023 Wednesday.

**Dr. Anil Tomar** and his team members direct all Faculties, Staff and student were taught regular blood donation helps maintain healthy iron levels in the body, reducing the risk of conditions like hemochromatosis. He said that it can also serve as a health check, as each donated unit undergoes rigorous testing for infectious diseases, ensuring the donor's well-being.

- Through this programme we want to spread the message that Support to Critical Patients: Blood donation camps are organized with the purpose of supplying blood to the blood banks for the need of patients suffering from cancer, hemophilia, and thalassemia or accident victims.
- Donating blood, not only saves multiple lives but also give an opportunity to add value to one's life. It helps in teaching students about humanity and also defines the spirit of our natural co-existence for others..
- The purpose of blood donation camp is to select a suitable donor whose blood is safe for the recipients. With increase in population and development of more advanced medical and surgical procedures, the need for blood is increasing day by day. Voluntary blood donors facilitate in maintaining adequate supply of blood.
