R.D. Engineering College, Ghaziabad has organized a program on Awareness program on POSH (Prevention & Prohibition of Sexual Harassment) has become the most significant topic of discussions in the current scenario. Especially in work place with regards to the healthy work environment, socio-economics, and trivialized equity in terms of women empowerment are of crucial concerns in revitalizing human rights. The circulation of several reports related to the problems faced by women makes it clear that harassment against women, across any age group and in any form has never stopped. It throws light on the challenges encountered by women. In India, several analyses reveal that women systematically face discrimination simply by virtue of being biologically soft. The discrimination leads into verbal, physical and sexual harassment.

During the session the following points were discussed:

- Through this Program we want to spread the message of Sexual Harassment that is faced by women at their working place.
- In this Session Ms.Neha Sharma told that how to prevent and Stop this Harassment against Women's. Some points are discussed that (i) Establish Internal Complaints Committee (ICC) (ii) Provide a Workplace which is safe and has conducive working environment.
- It is our responsibility to take this initiative forward. Under this Program we will keep on spreading awareness about women safety not only in work place but everywhere.
