

Establishment of Institute Innovation Council (IIC) at RD Engineering College, Ghaziabad

Institute Innovation Council (IIC) at RD Engineering College, Ghaziabad has been established as a student centric body that would act as an active catalyst of innovation and an entrepreneurship ecosystem amongst the students. The main motive behind the establishment of this skill centre is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform those ideas into businesses.

Objective of IIC

- Promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campus.
- To conduct various innovation and entrepreneurship-related activities prescribed by Central MIC in time bounded fashion.
- Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.
- Network with peers and national entrepreneurship development organizations.
- Organize idea competition, mini-challenges etc., with the involvement of industry.

The meeting of the council members was called to discuss about the functioning of the Institute Innovation Council (IIC) at the college. The meeting started with the briefing from Mr. Pankaj Singh (President, IIC, RD Engineering College) about the council and possible activities that can be conducted. All the members were defined their roles which include formulation of the manual, policies, SOPs for faculty, student and external start-ups streamlined with National Innovation and Start-up Policy (NISIP), Government of India. The Institute recently established an Incubation Centre which is in process of the legal registrations.

The IPR Cell will be part of the Incubation Centre. IIC Convener (Dr. Dharamveer Singh) will bolster IPR related activities at the campus and its vicinity.

The Innovation Activity Convener Dr. Dharamveer Singh mentioned about various activities that will be conducted through IIC. The list is attached as the activity plan. Industry-Academia partnership and reach through social media to promote
