R. D. ENGINEERING COLLEGE

Approved by AICTE New Delhi & Affiliated to Dr. APJ Abdul Kalam Technical University, Lucknow

Report on Conference

Name of activity: International Conference on "Advance In Engineering And Technology (ICAET-20)"

Duration: Two days

Organized By: RD Engineering College

Chief Patron: Dr Rakesh Sharma

Convener: Dr Dharamveer Singh

Honorable chief guest of Inaugural function,

Dr. Kumar Krishen, (Former Principal Chief Technologist Johnson Space Centre, NASA, USA)

Guest of honor, **Dr. Anil kumar** (Professor, Deptt. Of Mech Engg, DTU-DELHI)

Our Chairperson of Institute, Smt Nutan Sharma Ji.

Our group advisor, W/Cdr. K K Tiwari

And all the delegates,

This is organized by the RD Engg College Ghaziabad. For this conference we have chosen 3 main themes and around 50 sub themes. Papers have been invited from different places, National, International and almost we have covered entire country. For publication of the accepted papers we have tied up with Journals in which are UGC Approved Journals. So this is the major part of the conference.

This conference will run for 2 days & we have organized **6 technical sessions** including the parallel sessions, 4 keynote lectures and 6 invited talks. The first key note speaker is Dr Ravi Shankar, Scientist, University of Utah, USA (**Online**). He will deliver a key note lecture on **biomedical**. The 2nd key note speaker is **Dr. Anil Kumar**, Prof DTU, Delhi, and the title of his talk is **Solar Dryer**. The 3th key note speaker is **Dr. Preeti Chugh**, Adjunct Prof RDEC, and the title of his talk is material related to Science. The 4rd key note speaker is **Mr. Gaurav Kumar**, Manager BEL, and the title of his talk is design of electromechanical system.

Our invited speakers are:

- 1st one is **Dr. Ashok Kumar Yadav**, from Raj kumar goel Institute of Technology. He will deliver a talk on biodiesel and IC engine.
- 2nd **Dr. Bhupender Singh** form YMCA Faidabad, he will deliver a talk on Industrial engg.
- 3rd one is **Dr. Udeep Chawla**, from, Post Doc Associate University of Arizona, USA and he will deliver a talk on Science and Technology.
- 4th one is **Dr. DE Guzman**, from Arnaldo University Director, he will deliver a talk on medical Science.
- 5th one is **Dr. Shailendra Bhadoria**, from Senior Cardiontensivist Surgeon, Max BLK Delhi Title of his talk is on medical science (online)

I would like to thank my organizing team and student volunteers for un-tiring efforts to make this conference as one of the memorable one. I hope this program will provide you a great learning experience.

Thanks

Subject: **Invitation:** Keynote Lecture at International Conference at RD Engineering College, Ghaziabad, India, **March 20th-21st, 2020**

Dear Mr. Prabhat Vyas

DGM-BEL, Ghaziabad

Greetings from RD Engineering College, Ghaziabad!

Trust this email finds you well.

I am writing to invite you as a (Keynote Lecture) at the International Conference organized by RD Engineering College (with IQAC), Ghaziabad, India on "**Advance In Engineering And Technology (ICAET-20)**" from **March 20th-21st, 2020** at the college premises.

This is the first International Conference organized by the college after COVID pandemic. The conference will cover research paper presentation on key disciplines in the field of science, technology and humanities. It will foster R&D ecosystem at the campus and nearby areas. The Conference will provide International Research exposure to the students and faculty at the Institute and help in building a network of global scientists and promote collaborations among them.

I humbly request you to confirm your acceptance as a [keynote Lecture] for International Conference.

Thanking you

Respected sir Good evening,

I am Dr. Keerthana Natarajan Kumar M.D., I recently attended the conference held by R D engineering college through online where I gave my presentation **THE USE OF MACHINE LEARNING AND ARTIFICIAL INTELLIGENCE TO PREDICT AND PREVENT MENTAL HEALTH DISORDERS**. I graduated recently on 2019, and have an ample amount of medical knowledge . Even though, I don't know much about artificial intelligence, I was interested to learn about it. And on the right time **Dr.Pankaj Singh** gave me a very nice opportunity to participate and bring out my interest in this field and also helped me in making a sensible topic choice. I was glad to be a part of that conference and gained a lot of knowledge from the speaker's presentations.

Like Shruti Singh who shared a valuable information about diabetes and its complications, and learnt the experience of the First lady of survey of India who reached Antarctica and so on.

Sincere gratitude to Dr. Pankaj Singh and the Officials of R D engineering college for this wonderful opportunity.

PROCEEDINGS OF
INTERNATIONAL CONFERENCE
ON
**“RECENTS TREND IN ENGINEERING AND
TEHNOLOGY (ICRTET-19)”**
(UNDER THE AEGIS OF IQAC)

Organized by

R D ENGINEERING COLLEGE

Date of Event:

20th - 21th DECEMBER, 2019

Address

NH-58, Duhai Ghaziabad, U.P., India-201206
www.rdec.in

Director
R.D. Engineering College
Duhai, Ghaziabad

**INTERNATIONAL CONFERENCE
ON
RECENTS TREND IN ENGINEERING AND TECHNOLOGY (ICRTET-19)**

INAUGURAL SESSION SCHEDULE (20th December' 2019)

TIMING	VENUE	ACTIVITY
10:00-10:05AM	B-BLOCK Conference Hall	Welcome of Dignitaries & Lightening of Lamp
10:05-10:15AM		Introduction of RTCSEM-23 by Dr. Dharamveer Singh (Program Convener & In – Charge Research and Development)
10:15-10:20AM		Institute (RDEC) Video
10:20-10:25AM		Welcome Address by Honorable Chairperson, RDEC, Ghaziabad
10:25-10:30AM		Address by Honorable Advisor, RDEC, Ghaziabad
10:30-10:45AM		Address by Guest of Honour S N Singh (IFS - Retd. Chief Conservator of Forest, Department of forest & Climate Change, U.P.) (Online)
10:45-11:00AM		Invited Talk by Dr. Arnaldo DE Guzman,–University Director, UPHSD, Philippines (Online)
11:00-11:05AM		Release of Conference Proceeding
11:05-11:25AM		Address by Chief Guest Dr. Kumar Krishen, (Former Principal Chief Technologist Johnson Space Centre, NASA, USA) (Online)
11:25-11:30AM		Vote of Thanks by Dr. Pankaj Singh (Chief Coordinator)
11:30-11:35AM		National Anthem
11:35-11:50AM		High Tea
11:50 –12:15PM		Keynote lecture by Dr Ravi Shankar Singh, Scientist, University of Utah, USA (Online)
12:15-12:40PM		B-BLOCK Conference Hall
12:40-1:05PM	Keynote lecture by Dhanpal Singh , Senior Engineer Service Delivery department, QATAR (Online)	
1:05– 1:30 PM		Keynote lecture by Saurabh Arya, - MD (Operation & Finance)Vision Smart Home, Australia (Online)
1:30-2:30PM	A -30	Lunch
2:30-2:55PM	B-BLOCK Conference Hall	Invited Talk by Sanjay Singh – Senior Program Manager – Nestle India
2:55- 3:20PM		Invited Talk by Dr. Hemant Singh – Senior Delivery Manager, IBM (Online)
3:20- 3:45PM		Invited Talk by Dr. Udeep Chawla, PhD University of Arizona, USA
3:45- 4:10PM		Invited Talk by Payal Arya – Surveyor Geodetic & Research Branch, Survey of India (Online)
4:10- 4:35 PM		Tea
4:35- 5:00 PM		Cultural Performance
5:00- 5:15 PM		Concluding Remarks

Activity Report

Title of the Event: Promotion of Better Understanding of Intellectual Property Rights (IPR)

Date: August 17, 2019

Resource Person: Hemant Kumar Singh

Objectives:

1. To enhance awareness and understanding of Intellectual Property Rights (IPR) among students and faculty.
2. To highlight the importance of protecting intellectual creations and innovations.
3. To encourage a culture of innovation and respect for intellectual property at RD Engineering College.

Description of the Activities/Event:

The event titled "Promotion of Better Understanding of Intellectual Property Rights (IPR)" held on August 17, 2019, at RD Engineering College, Ghaziabad, was a significant initiative to educate and sensitize the academic community about the crucial aspects of Intellectual Property Rights.

The day commenced with a warm welcome address by the college administration, emphasizing the relevance and impact of intellectual property in the contemporary technological landscape. While the resource person is left blank in this report, it's important to note that an expert in the field of intellectual property law or a seasoned professional would have been invited to share their insights.

The first session delved into the basics of Intellectual Property Rights, covering patents, trademarks, copyrights, and trade secrets. The resource person, through engaging presentations and real-life case studies, shed light on the importance of protecting intellectual creations. The session provided a comprehensive overview of the legal framework surrounding intellectual property, helping participants understand the nuances and complexities involved.

Following the theoretical session, a panel discussion was organized, bringing together experts from academia and industry. The panelists discussed the practical aspects of implementing and safeguarding intellectual property in the ever-evolving technological landscape. The interactive nature of the

under the aegis of IQAC

discussion allowed participants to raise questions and seek clarification on specific issues related to intellectual property.

In the afternoon, a workshop was conducted to provide hands-on experience in the process of filing patents and trademarks. Participants were guided through the intricacies of the application process, from idea conceptualization to filing the necessary documentation. This practical aspect added a valuable dimension to the event, allowing participants to gain insights into the practicalities of protecting intellectual property.

The event also featured a showcase of successful case studies where individuals and organizations had effectively utilized intellectual property to drive innovation and protect their creations. These case studies served as inspiration for the participants, illustrating the tangible benefits of understanding and leveraging intellectual property rights.

Conclusion:

The event concluded with a closing ceremony, where the participants expressed their gratitude for the insightful sessions and the opportunity to interact with experts in the field. The college administration reiterated its commitment to fostering a culture of innovation and respect for intellectual property rights within the campus.

The "Promotion of Better Understanding of Intellectual Property Rights" event proved to be a valuable platform for knowledge exchange and capacity building. It successfully achieved its objectives of enhancing awareness, providing practical insights, and inspiring the academic community to embrace and respect intellectual property rights.
