

## **Policy Document on providing financial support to Teacher**

**Objective:** The essential goal of this strategy is to give an organized structure to offering monetary help to educators, recognizing their pivotal job in shaping the educational scene. This arrangement means to upgrade instructor inspiration, maintenance, and generally speaking prosperity by tending to their monetary necessities.

**Scope:** This strategy applies to all educators utilized inside Institution. It covers monetary help systems, qualification models, application strategies, and the responsibilities of both the educators and the Institution.

**Financial Support Mechanism:** Provision monetary help for educators chasing after additional training, attending workshops, conferences, or securing extra affirmations pertinent to their instructing field and certification program.

### **Application Procedure:**

- Educators intrigued by monetary help should present a proper application to the relevant division/person framing the particular program they are applying for.
- The application ought to incorporate supporting documentation, for example, verification of enlistment in an expert improvement course or subtleties of monetary difficulties for programs tending to monetary need.
- An assigned board of trustees will survey and evaluate applications in light of qualification models and the accessibility of assets.
- Endorsed applications will be conveyed to the instructors, and the monetary help will be dispensed according to the provisions of the particular program.

**Review and Revision:** This strategy will be dependent upon intermittent audit to guarantee its viability and significance. Any fundamental modifications will be made to line up with the advancing requirements of educators and the institution.
