Hello sir

The extra-curricular activities in soft skill development for the students have proven to contribute much to their personality development and logical thinking. So our college decided to organize a seminar on Personality Development where students will enhance their soft skills and logical thinking.

In view of this, Our Institution would like to request you to conduct a Seminar/Workshop with the given theme: "Personality Development" to be facilitated to the whole MCA students.

Hoping for your favorable response about the matter.

Thank you very much.
