

**Establishment of Institute Innovation Council (IIC) at RD Engineering College, Ghaziabad**

Institute Innovation Council (IIC) at RD Engineering College, Ghaziabad has been established as a student centric body that would act as an active catalyst of innovation and an entrepreneurship ecosystem amongst the students. The main motive behind the establishment of this skill centre is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform those ideas into businesses.

**Objective of IIC**

- Promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campus.
- To conduct various innovation and entrepreneurship-related activities prescribed by Central MIC in time bounded fashion.
- Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.
- Network with peers and national entrepreneurship development organizations.
- Organize idea competition, mini-challenges etc., with the involvement of industry.
