

1.4: Feedback System

Session:2018-19

R. D. ENGINEERING COLLEGE.GHAZIABAD

Approved by AICTE New Delhi & Affiliated to Dr. APJ Abdul Kalam Technical University, Lucknow
under the aegis of IQAC

1.4 FEEDBACK SYSTEM

OBJECTIVES

- To evaluate the level of satisfaction among the students in terms of curriculum implementation and teaching learning, acquisition of knowledge and skills of employability, interdisciplinary learning and facilities.
- To evaluate the level of satisfaction among the teachers in terms of curriculum implementation and teaching learning, infrastructural facilities, conducive environment for academic and professional growth.
- To evaluate the level of satisfaction among the alumni in terms of academic outcomes, relevance of the programme for career prospects and prospects of alumni contribution to the department/ College.
- To evaluate the level of satisfaction among the employers in terms of the professional competencies of the college graduates post recruitment.

METHODOLOGY

R.D. Engineering College conducts Feedback analysis every session with structured questionnaires specifically designed for students, teachers, alumni, parents and employers in the following dimensions:

- Students Feedback Form on Teaching Learning and Facilities
- Teachers Feedback Form
- Alumni Feedback Form
- Parents Feedback on College and Academic Process
- Employer Feedback on College Graduates' Competencies

STUDENTS FEEDBACK FORM ON TEACHING LEARNING

The "Students Feedback Form on Teaching Learning" uses a structured questionnaire to measure the mentioned criteria (in sample student feedback form) on a five-point Likert scale with the options of Excellent, Very Good, Good, Fair and Poor. This survey is being conducted to ascertain the degree of

IQAC Coordinator
R.D. Engineering College
Duhai, Ghaziabad

Director
R.D. Engineering College
Duhai, Ghaziabad

student satisfaction with the curriculum and to look out for ways to implement the curriculum on 9 parameters.

The "Students Feedback Form on Facilities" uses a structured questionnaire to measure the mentioned criteria (in sample feedback form on facilities) on a five-point Likert scale with the options of Excellent, Very Good, Good, Fair and Poor. This survey is being conducted to ascertain the degree of student satisfaction with the Library, Labs, Hostel, Sports etc. measuring 10 parameters.

These feedbacks are conducted every semester for every theory subject and lab subjects to measure the student satisfaction with the curriculum and satisfaction with the Facilities provided by the college.

(We take the average of each theory and practical subject on 9 parameters of single student and after then we take the average of all the students of the class, which leads to the Feedback on Teaching Learning in that semester for any department. To find out the complete feedback in that semester / session for all college then we take the average of all the classes of the departments)

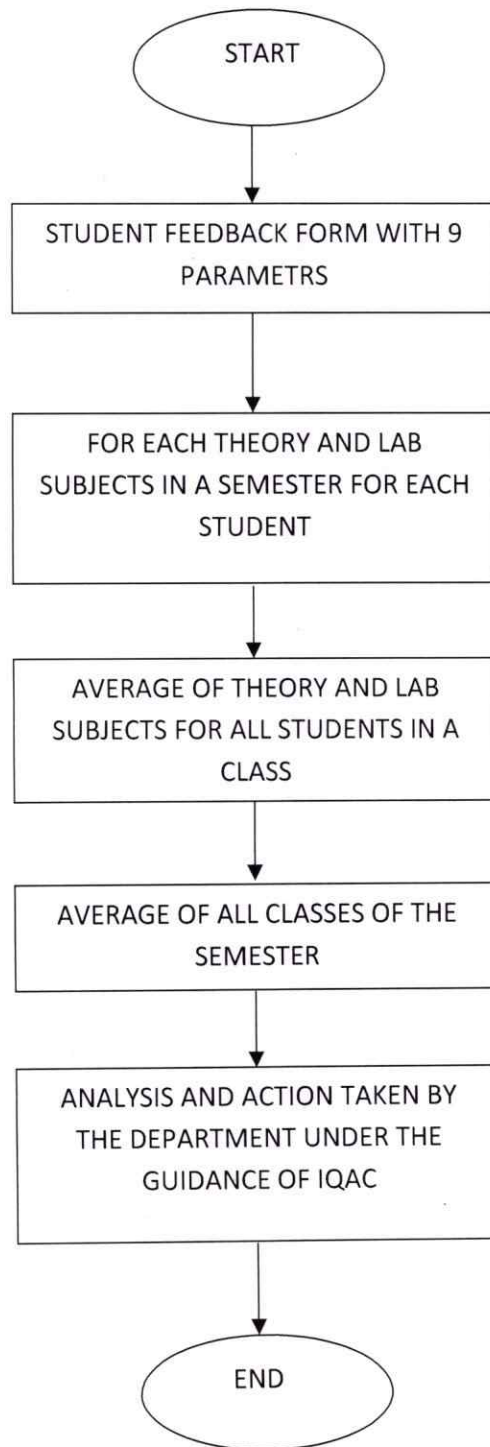

(We follow the same process to find out the Students Feedback on Facilities)

These feedbacks analyzed by the head of the department every session and appropriate action taken under the guidance and kind control of IQAC.

Feedback Analysis and Action Taken Report

1.4.1 Feedback Analysis and Action Taken Report of Department on feedback report (2018-19)

The Director of the Institute gets the feedback collected from institute's stakeholders to monitor and evaluate its performance quality on academic, faculty and ambience. Constructive feedback from stakeholder is obtained through carefully designed feedback forms. This comprises of faculty feedback, student feedback, alumni feedback, parents feedback and employer feedback for each academic year. The feedback is analyzed and reviewed by the Institutes' IQAC; the reports are communicated to the department heads. The HODs further suggests corrective measures and directs faculty members to take remedial actions. The other problems which require management decisions are put up before the management and are addressed accordingly.

Feedback from student addressed academic and its learning related issues in term of quality, effectiveness, skill enhancement and relevance. In order to gauge the effectiveness of the faculty in course dissemination structured feedback is taken from students regarding the skills and effectiveness of faculty in teaching that course. The faculty is informed about their feedback as well and if required they are trained for improvisations in the academics.

The constructive faculty feedback is collected to optimize their overall performance and contribution towards the growth of the institute. The faculty feedback related to curriculum enrichment, curriculum delivery, suitability the course and its need base, availability of reference materials, alignment of CO-PO, is helpful to improvise the curriculum and to create better work culture.

The employer's feedback is taken into consideration to make students industry ready, to improve their employability and to guide them for future career paths. It addressed issues like general communication skills, developing solutions to real life problems, working in a team, organization skills etc. Various companies are being invited for the campus placements and even expert from industry deliver lectures on recent trends, leadership skills, entrepreneurship etc. for overall development of students.

Feedback is also gathered from alumni, either pursuing higher studies or working with industries regarding the contribution of institution in their professional development. Responses requested on adequateness of courses curriculum, sufficiency of syllabus content in context of current professional standards and curriculum design in context of development of self-directed learning and problem-solving approach etc. Department also invites alumni to share their experiences to guide final year students about emerging aspects and opportunities in corporate world.

Parent's feedback is also taken into consideration to enhance education pattern, safety of students and examination. Suggestion given by parents implemented immediately for their satisfaction & maintaining good environment in the college.

IQAC Coordinator
R.D. Engineering College
Daha

Director
R.D. Engineering College
Daha

Students are asked to give general feedback regarding the institute's ambience and common facilities including canteen, labs, library, sports, general hygiene, cleanliness and utilization of infrastructure etc., verbally or in written form as well as they can also approach concerned person if required. The actions to problems are addressed by the authority immediately.

Practicals

Feedback report for Computer Science & Engineering 4th semester 2018-19

Feedback	Action Taken	Impact
Students feedback found that some real life examples, presentation & practicals are required on REC405 & RCS454.	HOD instructed the concerned teacher to more focus on PPT & practical approaches.	By proper instruction given by HOD, students are able to better understand.
Students are requesting for more training sessions on new technologies & guest lectures.	Dean Academics instructed to all the teachers to arrange interactive sessions & guest lectures.	Faculty members were started to arrange seminars, guest seminars by industry experts to improve students practical knowledge.

Feedback report for Information Technology 3RD semester 2018-19

Feed back	Action Taken	Impact
Students feedback found that lack in extra care for learners.	HOD instructed the concerned teachers to take more usage of ppt , digi boards & live examples.	By providing proper instruction, student understanding will be increased.
Students feedback found that lack in usage of Teachind aids.	Liberiaran was instructed to well maintained timings along with online & offline study material availability.	By providing proper study material offline & online, students were able to study properly.

Analysis of student feedback on different aspects

Subject Knowledge	Presentation	Communication Skills	Usage of Teaching aids	Interaction with students	Approachable to students	Extra care for Learners	Punctuality	Teachers Proptness
4.02	4.08	4.04	4.09	4.08	4.04	4.12	4.09	4.02

DIFFERENT ASPECTS

Feedback	Action Taken	Impact
Student feedback found the lack in Teacher proptness & subject knowledge skill. As there is a need of separate lab for practice.	Head of Department instructed the concerned faculties to take separate classes based on practical approach (TED talk listening)	By arrangement of separate listening classes, student were able to improve their listening skills.

ANALYSIS OF STUDENT FEEDBACK ON SUBJECT

KAS201	KAS202	KAS203	KEE201	KCS201	KAS204	KCE201	KWS201	KAS201P	KAS202P	KEE201P	KCS201P
Physics	Chemistry	Maths	Electrical	PPS	PC	Engg. Graphics	Workshop	Phyics lab	Chemistry lab	Electrical Lab	PPS LAB
4.05	3.97	4.00	4.00	3.96	3.98	4.02	3.98	4.03	4.02	3.99	3.99

Theory

Practical

Feedback	Action Taken	Impact
Student feedback found that some more practical approach is required with examples in Chemistry & PPS.	Head of Department instructed the concerned faculties to lay more emphasis on example.	By following instruction given by Head, students were able to understand better.

R D ENGINEERING COLLEGE, GHAZIABAD
B.TECH. 1st year EVEN SEM SESSION - (2018-2019)
ANALYSIS OF STUDENT FEEDBACK ON DIFFERENT ASPECTS

Subject Knowledge	Presentation	Communication Skills	Usage of Teaching aids	Interaction with students	Approachable to students	Extra care for Learners	Punctuality	Teachers Proptness
3.98	4.00	4.04	4.03	3.98	3.97	3.98	3.98	4.00

DIFFERENT ASPECTS

Feedback	Action Taken	Impact
Students feedback found the lack in LSRW skills. As there is a need of separate lab for practice.	Head of Department instructed the concerned faculties to take separate classes based on practical approach(TED Talk Listening).	By arrangement of separate listening classes, students were able to improve their listening skills

Analysis of student feedback on Facilities

Availability of Text Books / Reference	Library		Laboratory		Internet Facility	Canteen / Cafeteria	Drinking Water Facility	Hostel Facility	Sports Facility	Medical Facility	Housekeeping and Maintenance	Adequate Classroom Infrastructure
	Library Timing	Ambience	Adequate Experimental Setup	Ambience								
4.00	4.04	4.13	4.06	4.16	4.09	4.04	4.11	3.87	3.94	3.99	4.00	4.07

Feedback	Action Taken	Impact
Students feedback found that lack in terms of use of sufficient study material and proper opening and closing timings of library	Liberarian was instructed to well maintained timings along with online and offline study material availability in library.	By maintaining proper timings and maintenance of study material students were able to study properly

Teacher's Feedback 2018-19

Decision making		Annual increment		AWARD		Curriculum as per the industry		Innovative Teaching methodology		higher education facility		salary dispersed on time		ICT facilities	
83.33	16.67	89.58	10.42	87.50	8.33	81.25	18.75	85.42	14.58	83.33	16.67	87.50	12.50	91.67	8.33

Major concerns raised by the faculties	Action Taken
Decision making is unbiased and true in the organization. However, there should be more proactive decision making.	Management has considered the point and will work on it for future reference.
Annual Increment are done on the basis of teacher feedback and paper published. Behaviour and general attitude should also be taken into consideration.	From coming year, all faculty appraisals will have the requested parameters included.
There should be awards given for some achievements which are exceeding expectation.	It has been instructed to all Heads that on departmental level good performing faculties should be rewarded.
As we are preparing students for the industry, there should be more emphasis on industry connect.	With the help of Innovation centres, an initiative is taken to fill the gap between the college and industry.
Smart board and classes with projection will improve the quality of classroom teaching.	Necessary requirement will be fulfilled to elevate innovative teaching methodology.
There should be more encouragement for higher education for the betterment of faculty as well as the institution.	Financial benefits/aid will be given to faculties involved in higher education.
There is no issue with salary dispersement .	No action required.
ICT facilities should be for the better understanding and learning of students.	Management has considered the point and will work on it for future reference.

**Cumulative Parents Feedback, Analysis &
Action Taken**

R D ENGINEERING COLLEGE, GHAZIABAD
ACTION TAKEN REPORT 2018-19
BASED ON PARENTS' FEEDBACK

Question Put to the parents	Feedback Received	Action Taken Based on Feedback
The college gives you a good picture about your child's performance.	Overall data shows that students's performance in college is good.	Based on input from the parents, the institution has made the decision to align overall performance with the needs of the students and maintain more positive trends in the near future.
You are satisfied with the facilities which the college provides to your children You find the institution safe for your children.	Respondents are moderately satisfied with the facilities the college has provided to Respondents are happy to send their children to college.	Certain amenities, such as a gymnasium and a library, are planned for the following session. The college is dedicated to maintaining its sanctity in terms of the safety of its.
The mission of the college is carried out in a safe manner in which it is stated.	According to the data, most of the respondents think that colleges run safely.	The college has decided to develop an effective mechanism to increase the safety of the campus for the girls based on feedback from the parents.
You are satisfied with examination sytem.	Most of parents are satisfied.	New measures to be taken to improvise examination system.
You are satisfied with the way of teaching-learning process in the college.	Majority of the respondents are happy with teaching learning process.	With the development of technology, faculties may now emphasis on practical strategies to enhance learning outcomes.
