Name of the Activity:-“Tree Plantation”

Date:- March 21, 2022

Duration: 2Hrs. (120min)

Organizer: R.D. Engineering College, Ghaziabad

Faculty Coordinator:- Mr. Chirag Sharma

No. of student participated: 150-160.

The Tree plantation activity on an individual basis. The objective of this tree plantation was to create awareness about “Plant Tree – Save Planet”. Tree plantation aims to save the environment, afforestation and make the surrounding clean and green through a major Tree Plantation Activity.

During the Event the Some of the feedbacks are as follows by many faculty members with their students:

1. “It was a very good experience to follow this tree plantation drive for saving our earth from global warming and producing more and more oxygen.”
2. “It was a great feeling to re-bond back with nature. I felt motivated and loved.”
3. “It was an amazing experience by planting trees. I was happy that at least this much I can do for our nature which provides us all the resources.”
4. “It was challenging for me because our cooperative society was not permitted to plant any tree as it was private so we had planted the same in pots. Else than it was a good experience as it will help us and also the environment.”

Dr. Sanjay Paliwal (Deputy Director) in R.D. Engineering College, Duhai the Resource Person of the session Right to Information Act – 2005 is a most popular, reformative and ambitious law in Indian political and administrative history. Right to Information Act enacted by United Progressive Alliance-1 (UPA) Government headed by Prime Minister Dr. Manmohan Singh in the year of 2005(14th Loka Sabha). Right to Information Act empowers the citizens of India against Administrative corruption and erratic/ wrong administration. This act discloses the Governmental and Administrative functions, programs and process related information to every common man. In popular democracy the Government should be responsible and accountable to individuals. Therefore Government discloses and provides the information of documents, files and samples required by the individuals on request. Supreme Court judgment in 'Raj Narayan v/s Uttar Pradesh Government' says, Information Right is also part of Constitutional and fundamental rights under the article 19(1) (a) of part three of Indian Constitution. Right to Information Act creates a new era in Indian democratic Republics political journey.

During this program **Mr. Anuj Tyagi** the gram pradhan of village Basantpur saintli also present there and appreciated the students and give support to organized this program in a better way

The outcomes of RTI Awareness Program were follows as:-

- Reduction in Corruption Transparency resulting from increased awareness of RTI can act as deterrent to corruption as public officials are aware that their action is subject to public scrutiny.
- Advocacy for RTI Implementation: Participants in the awareness program may become advocates for the effective implementation of RTI laws pushing for stronger legislation and enforcement
- Media Engagement: Journalist and media organization may become more active in using RTI to uncover and report on issues of public interest contribution to investigative journalism.
