ABOUT US

R. D. Engineering College Technical Campus, Ghaziabad was established in 2006 by Rameshwar Dayal Educational Trust affiliated to Dr. APJ Abdul Kalam Technical University, Lucknow and is approved by the All India Council for Technical Education (AICTE), Ministry of HRD, Government of India. It is a self financed professional Technical Campus, which is located in scenic lush green eco-friendly surroundings and is spread over an area of 15 acres. It is strategically located on Delhi—Meerut road (NH—58) Duhai, Ghaziabad. With the pious aim to enable our students grow into successful professionals in their chosen field of career, we strive to impart excellent technical education matching with the latest trends in global industrial and business requirements.

Learning at R.D. Engineering College Technical Campus is a transformative experience that combines individual intellectual growth with sound practical knowledge. This unique feat is achieved by inducting highly qualified, experienced and dedicated faculty of which senior faculty members are former Professors or alumni of IITs / IISc. Institute also conducts personality development programs to develop student's all round personality & their inherent talent. In order to increase their employability, job oriented training programs are conducted in house regularly **FREE OF COST** for all students. The Institutes have well developed departmental laboratories, excellent computing facilities (more than 800 branded computers) with 35Mbps plus 20 Mbps high speed wireless internet access and a rich library with over 37,550 books and National / International Journals/ e-journals. In campus separate hostels for 400 boys and 200 girls are available. Other facilities available in the campus includes hygienic mess and cafeteria, Wi-fi campus, round the clock power backup, RO water plant, a modern GYM, medical facilities (including a tie-up with Yashoda super speciality hospital and research centre) etc. It has been consistently maintaining excellent academic results and placements. It ranks **4th in Ghaziabad & 15th in U.P. Engineering Institutes** of AKTU (Formerly UPTU, Lucknow).

Vision

"To create an ambience in which new ideas, research and Development flourish, out of which the leaders and innovators of tomorrow will emerge."

Mission

"To impart knowledge in the fields of technology, management, and other allied areas that will serve the country and the world in times to come."

Message from the Chairperson

Smt. Nutan Sharma IRS
Principal Chief Commissioner of Income Tax(Retd.)
Chairperson, R.D. Engineering College

R.D. Engineering College Technical Campus was founded on motto of excellence in technical education. It provides strong foundation and congenial environment to its students to grow into successful professionals with sound technical knowledge. In the present competitive global scenario, we provide cutting edge to our students through knowledge, latest technical skills, innovations, XInational collaboration with Universities and creative leadership with the support of highly qualified faculty. Our Institution has added new dimensions to the latest technology learning by establishing 'Innovation Centres' in Technical Campus premises in collaborations with the leading industries. The Final year Engineering students are selected by companies associated with innovation centres. While working on live projects of the companies, the students would become familiar with the latest cutting edge technology being used in Industries. This would facilitate, based on their perfothey pass out from the College. Further, this would also improve their employability in other Companies. RDEC Technial campus is committed to provide to our students a right platform to secure a rewarding employment on graduation. I conclude with the message that I welcome you to our Technical Campus and experience the difference.

Message from the President

Sh. Rakesh Sharma, Philanthropist & Educationist, Founder President

"Dream is not that which you see while sleeping, it is something that does not let you sleep" – A.P.J. Abdul Kalam. We at RD Engineering college want to help the students see and achieve these dreams. RD Engineering college focuses on all round student development. The faculty take additional steps to ensure students coming from all backgrounds understand the fundamentals of Engineering, and help the students build a strong pillar which helps them face the ever changing industry needs.

Bringing experience from key people who have reached the pinnacle of excellence in their fields, RD wants to bring innovation to India. RD, with its R&D Center will work in both public and private sector to work on innovative research projects which will not only help the students but will also work towards bringing a transformation in the way technical research is done in the nation.

RD has a strong industry tie-up program, which allows students to work on live projects starting from the 3rd year. This really helps the students hone their skills and get ahead of their peers as they are able to get industry experience even before they graduate.

I would like to welcome all of you to RD Engineering College. Let's together hold the beacon which guides us to better tomorrow.

Rameshwar Dayal Educational Trust was founded as a fulfilment of the wishes of my honoured father Late Shri Rameshwar Dayal Sharma who had always been interested in uplifting the needy by providing them an opportunity to get quality education in the field of engineering and management.

Today the institutions under this trust are doing their best to keep the flag of his dreams flying high by establishing their names in the field of Technical Education as pioneer institutes in Northern India.

This has been possible due to our dedicated, Knowledgeable and loyal faculty.

To achieve the goal of empowering meritorious students, 'Pushplata memorial cash award', has been started in the loving memory of my late mother Smt Pushplata Sharma since 2006.

I welcome you all and am confident that you students will keep on achieving higher success in your lives.

Message from the Director

The seed of the college was sown in 2006 by the founding members of the RDET & nourished by the dedicated faculty and staff with the sole aim to grow & develop it into a strong value based college in the field of Technical Education. We at RDEC firmly believe in cuboid Model of development & growth, with three planes as support, capabilities and motivation, we have the infrastructure, vision & strong will to make use of student's potential. For this, we have a well thought out plan to achieve our objectives of providing quality education to meet the needs of industry, corporate & society as a whole. The college is focused to achieve this by inculcating skills of self reading, analysis, organizing seminars & taking part in group discussions.

For overall development of our students, we have many innovative personality development oriented activities, which will help them face technical challenges.

Proud moment for our college in year 2020 is that we are introducing newly approved AICTE/AKTU course in B.Tech CSE(Data Science), CSE(IOT) & CSE(AI & ML). These advanced specialisation courses gives 100% job guarantee.

I wish the students of the college a bright & prosperous future.

RDEC Gets Wings to Reach Sky

Kumar Krishen
Ph.D, Fellow, SDPS

Dr. Kumar Krishen NASA Pride for over 42 years served as Chief Technologist for Jonson Space Center (JSC) USA, joins hand with R.D. Engineering College Ghaziabad as Honorary Director General of Research & Development (R&D) to pursue aggressively innovation in a no. of key areas that will benefit India and be of great value to world and humanity.

Dr. Kumar Krishen has Mentored R.D. Engineering College (RDEC) faculty, staff, and students for many years. Dr. Krishen will provide guidance in setting up the R&D Center as a unique model Organization that will draw expertise from world-class Innovation Centers. He will also initiate and Mentor innovation programs and projects of great importance to India. The main purpose of the RDEC R & D Center will be to promote and practice the culture of Innovation resulting in an innovation driven mindset for the youth of our Nation. Presently the Center will focus on the following domains: Space Exploration, Surveillance Methods and Technology, Solar Energy for Rural Communities, Healthcare Data and Documentation Management, and Technical Education. RDEC will be making industry tie-ups, public and private Sectors, to enhance the quality of life in India through needed commercialization of innovation.

Dr. Kumar Krishen got academic degrees with highest honors awards, top positions, Gold Medals from Kansas State University (Ph.D and M.S.-Phi Kappa Phi, Eta Kappa Nu & Sigma Xi honors), Calcutta University (M. Tech and B. Tech), in Electronics, Electrical engineering, radio physics, physics, and mathematics. Dr. Krishen taught and guided research at Kansas State University before joining Lockheed in 1969 as Staff Scientist. Dr. Krishen was with NASA from February 1976 to September 2018 and held key positions in Advanced Programs in Earth Observations, Science Payloads, Experiment Systems, Tracking & Communications, Mission Support, New Initiatives, Exploration Integration and Science and technology research and development. Dr. Krishen has served as Chief Technologist for Johnson Space Center (JSC) and represented JSC as the Principal Technologist on the NASA Council on Science and Technology. In NASA Dr. Krishen has advanced original concept concerning Space Technology, Health System, Remote Sensing, Sensor System, Automation and Robotics Technology. Dr. Krishen served at Virginia Tech as University Fellow for Technology Transfer, Office of Special Initiatives, and Visiting Professor on a special NASA assignment. He has also served as Adjunct Professor at Rice University. Authoring more than 170 technical papers/reports/proceedings, Dr. Krishen is a Fellow of the Society for Design and Process Science (SDPS), Fellow and Distinguished Speaker of the Institution of Electronics and Telecommunication Engineers (IETE), and an Assoc. Fellow of the American Institute of Aeronautics and Astronautics (AIAA).

Dr. Krishen is listed in Who is Who in the World, Who is Who in America, Who is Who in Science and Technology, Men of Achievement, Personalities of America, and 2000 Outstanding People of the 20th Century and was commissioned "Honorary Texan" by Texas Governor Rick Perry in 2001. Dr. Krishen is the recipient of many awards and honors from universities, industry, and NASA including the NASA Exceptional Service Medal. Dr. Krishen was nominated by Governor George W. Sir, It's been a great experience to be a part of the congregation of RDEC, an exceptional outshining in their life's most demanding endeavors. This overwhelming success of the college has been due to your approach towards knowledge driven education, technology based infrastructure and stimulating and responsive programs tailored to meet industry requirement.

On the basis of my little interaction with the students and teachers, this college seems to be quite rich in all technological and infrastructural facilities along with quality teaching supported b\ live project demonstration and training involving latest cutting edge technology-the core of industry in the present time.

In support of all these remarkable achievements I was very much pleased to know that you have a very strong base of industry worthy students, who are proving themselves through their knowledge coupled with corporate culture exposure that lley are none less than an\ entrepreneur in the lime to come.

I admire your continued efforts, strong will power to compete at all levels and above all your capability to en-cash the right demand of time, opportunities and available resources. The RDEC is a well knitted group, administratively managed by professionals and academically by distinguished people with proven scientific contributions and huge international exposure to Science & technology may this be continued and go beyond the shell to enrich other areas of frontier technology, the society is looking for.

Best wishes.

Why R. D. Engineering College is

- 1 Our session for first year starts in the first week of July every year, whereas other colleges start their first year session in the last week of August. This gives our students two months advantage to bridge the gap between 10+2 & B.Tech.
- 2 To keep the students regular in studies we take test on every Monday as internal assessment test. It helps us to monitor performance of students regularly. If any student is not performing satisfactorily, he/she is required to attend compulsory classes **FREE OF COST** in evening at college campus.
- 3 We provide regular soft skill training from 2nd year onwards to each and every student by specialized external PDP trainers. The emphasis is on Aptitude and Communication skills, written test, group discussion & personal interviews.
- 4 170 students of Civil and Mechanical III year benefited from these training programs and appeared for **Online Global Certification Test conducted by Autodesk (USA)** And all the students cracked this examination. More than 150 students secured above 80% marks, a tremendous achievement as per industry standards.
- 5 TO bridge the gap between university curriculum & industry requirement, we are providing **FREE OF COST IN HOUSE TRAINING** programs by industrial experts in addition to the academics. Following training programs starts from 2nd year onwards: Technical Training:-**CS/IT/MCA**:-ML, AI, Data Science, Java, DotNet, CRM, PHP, IOT, Python RedHat Linux, Objective C, Mobile Programming (Android, IOS, Windows), Hadoop/Bigdata. **ME**:- CAD/CAM, Robotics, Auto CAD, Solid Works, ANSYS, C Language, Python **Civil**:- Auto CAD, STAAD-Pro, Prime-Vera, MS Project, PMP, C Language, Python **ECE**:- Embedded Systems, PLC/SCADA, Industrial Automation, LTE, Robotics, MATLAB, C Language, Python
- 6 For placement of our students, the college has established "INDUSTRIAL TRAINING & CORPORATE RESOURCE CENTRE" within college campus in association with the leading companies. -- **This facility is only one of its kind.**
- 7 RDEC has Training Centre for SSB for selection in ARMY/Navy/IAF. An infrastructure for obstacle Course of Armed Forces standard has been developed in college campus in which students are being regularly trained by the senior Air Force officers who have been themselves member of Service Selection Board for over a decade. It is the only college in India to provide such a facility.
- 8 Gate preparation for PSU, Govt. Job, M.Tech from 3rd year onwards for all branches.
- 9 Internship for CS/IT/ET/MCA/ME/CIVIL in collaboration with NASSCOM, ARICENT, NSDC, CENTUM, ARMY BASED WORKSHOP, MOTHERSUN SUMI, L&T & AIRTEL.
- 10 International Collaboration with University of Riverside, CA, USA & recognized under section 2(f) of the UGC ACT, 1956.
- 11 Awarded certificate of Accreditation by International Accreditation Organization, USA (IAO).
- 12 Partner of RedHat Linux/Cisco/ Microsoft IT Academy.
- 13 Awarded International Standard EN ISO 10002:2004 certification & An ISO 9001-2008 certified institute.
- 14 67 students qualified in GATE in 2020

Latest Awards & Honors

Excellent Placements

- 29 Azmat Naseem B.Tech (Civil) student of R.D. Engineering College qualified as AKTU's 1st LADY OFFICER for INDIAN AIR FORCE in 2019
- 30 In the recent campus placement renowned companies like IBM, Novoinvent, Punj Lloyd, TCS, Sugil & Damani Ericsson India, NIIT, Hero Motors, HCL, AON Hewitt, Methodex, Optimus, Caparo Maruti, Sunbeam Auto Pvt. Ltd. Goldplus, Mobiloite, JBMI, E-Bix, Everest, Binary Semantics, Amazon, Aegon Life, Cognizant Services, Parametrique Velocis, Infogain, Successive Technology, Microchip, Capgemini, Dexcel etc. selected a large number of students.
The remarkable achievement of RDEC is that some of these companies recruited first time outside IIT/NIT
- 31 88% students were placed through campus placement in all the previous year.
- 32 Highest pkg. of 20 Lacs in B.Tech. CSE 2020
- 33 Students selected through ITCRC for onsite project at Malaysia on Pkg. of Rs. 10 Lacs by Zventech.
- 34 Highest pkg. of 12 Lacs in MBA.
- 35 Campus placement in Indian Army/Navy/Air force.

Award to Meritorious students every year

- 36 One motivational policy of RDEC is of giving Cash Awards of Rs 1000/- on every increase in %age above 75% marks to its students every year since 2006 onwards. Awarded amount of Rs 1.77 Lacs to 56 students in 2014, Rs 5.72 Lacs to 162 students in 2015 Awarded amount of Rs 10.67 Lacs to 225 students in 2016, Rs 14.87 Lacs to 274 students in 2017. Awarded amount of Rs. 17.56 Lacs to 310 students in 2018, Awarded amount of Rs. 20.00 Lacs to 325 students in 2019 Hence-(1) Awarded amount increased by 1130% in last 6 years. (2) No. of students above 75% marks increased by 580% in last 6 years. **It clearly reflects upon the manifold improvement in the academic performance year after year to which RDEC is committed.**
- 37 **PRERNA TYAGI** of B.Tech 1st Year Topped AKTU with 97.83% marks in 2020. **Her full fees waived off for all 04 years** (As per College Policy).
- 38 Since Last three years AKTU TOPPERS in B.Tech 1st year from RDEC-- Prerna Tyagi in 2020, Abhishek Sharma in 2019, Deepak Kumar in 2018. **Their full fees waived off for all 04 years.**

मेरी कहानी, मेरी जुबानी.....by Anuj Kumar

But, when I was in class 12, I was not so good in studies. Even I failed in my first attempt. I appeared for compartment and again remained unsuccessful. Next year again I appeared for single subject (Physics). I cleared the subject but my PCM percentage fall below 50% because of which I could not qualify for minimum admission criteria in B.Tech. **In my Fourth attempt I appeared for improvement and somehow I could get just 50% marks in PCM** which was the minimum criteria for the admission in B.Tech.

I am very happy and feel proud to be here. I would like to give full credit to the teachers and management of R D Engineering college for this success.

आरडी कॉलेज की छात्रा ने बीटेक प्रथम वर्ष में यूनिवर्सिटी की टॉप

कॉलेज के प्राधिकाओं के साथ छात्रा प्रेरणा त्यागी • सौजन्य: कॉलेज

संवाद रस्तोगी, मुरादनगर: हाईवे स्थित आरडी कॉलेज की बीटेक प्रथम वर्ष की छात्रा प्रेरणा त्यागी ने परीक्षा में 97.8 प्रतिशत अंक हासिल करके कॉलेज व अपने स्वजनों का नाम रोशन किया। कॉलेज प्रबंधन ने छात्रा की उपलब्धि पर उसे बधाई दी। परिणाम घोषित होने के बाद छात्रा के घर में बधाई देने वालों का ताता लग गया।

आरडी कॉलेज के प्रशासनिक अधिकारी विवेक त्यागी ने बताया कि सोमवार शाम को डॉ. अब्दुल कलाम प्राविधिक विश्वविद्यालय के बीटेक प्रथम वर्ष का परिणाम घोषित किया गया। परिणाम में आरडी कॉलेज के सीएस वर्ग से बीटेक प्रथम वर्ष की छात्रा प्रेरणा त्यागी ने 97.8 प्रतिशत अंक प्राप्त करके यूनिवर्सिटी टॉप की। प्रेरणा की उपलब्धि पर कॉलेज के प्रबंधन व उसके शिक्षकों ने

माता कांता त्यागी ब्रह्मणी है। प्रेरणा का एक भाई व बहन है। अपनी बेटी की सफलता पर खुशी प्रकट करते अशोक त्यागी ने कहा कि प्रेरणा बचपन से ही पढ़ने में बहुत तेज रही है। उसने हाईस्कूल व इंटर की परीक्षा में अच्छे अंक हासिल किए थे। प्रेरणा ने सफलता का श्रेय अपने अधिभावकों, ईश्वर व स्वजनों को दिया। उन्होंने कहा कि वह आगे इसी प्रकार मेहनत करके अपने कॉलेज व स्वजनों का नाम रोशन करने का प्रयास करेगी। प्रेरणा की सफलता की खबर सुनकर चेयरपर्सन विमलादेवी, पूर्व चेयरमैन अनिल त्यागी, सण नेता अमित त्यागी, भाजपा नेता विवेक त्यागी, समेत अन्य गणमान्य लोगों ने घर जाकर उनको बधाई दी।

आर.डी.इजीनियरिंग कालेज में 575 छात्र-छात्राओं को मिला रोजगार

मुरादनगर (कॉन्ट्रिब्यूटर्स) नगर क्षेत्र में दिल्ली मेट्रो एरिया विकास आर.डी.इजीनियरिंग कॉलेज में अम मन्त्रालय, भारत सरकार कम्प्यूटर और इन्टरनेट इंडस्ट्रीज से आईआई ब्रिडज का रीर सेंटर द्वारा मेगा जीव फैयर का आयोजन किया गया।

इस जीव फैयर में देश-विदेश की 51 नामी विदेशी कम्पनियों भाग लिया। जिसमें मुख्य रूप से बजाज कंपिटल, पारसी बजाज, बजाज

मोटर्स, बैंक बजार, विवेको मोबाइल, टेक महिन्द्रा, जेनोस आर्टो, एचटीएमएल बुर, रिहायश कम्पनी, होरो मोटर्स, बामे स्टक एमएनए, एम अटो कम्पनी लि, बुरका मोर्स, कोटक मोहन्दा बैंक, कृष्ण मन्त्रि, बजाज मोटर्स, सुजस, डीएलएल इण्डिया, इण्टर ग्लोब, इन्टेलिक्ट

जैव फैयर में 10 बेंच व 12 बी बस कर चुके लगभग 4448 छात्र-छात्राओं ने भाग लिया। कम्पनियों द्वारा

लगातार 575 से अधिक छात्रों का नियुक्ति किया गया। कॉलेज के चेयरमैन राकेश शर्मा ने बताया कि

इस आयोजन में प्रतिभाग के लिये छात्रों से किसी भी प्रकार की परीक्षा शुल्क नहीं लिया गया। यह पूर्णतः नि:शुल्क था और इस आयोजन का उद्देश्य क्षेत्र के छात्रों एवं बेरोजगार युवाओं को उनके योग्यतानुसार रोजगार प्रदान करना था। जिससे क्षेत्र की उन्नति व विकास हो सके। आर.डी.इजी. कॉलेज युवाओं को उनके रोजगार दिलाने हेतु हमेशा प्रयास करता रहता है और इसी कड़ी में यह आयोजन किया गया।

भविष्य में भी इस प्रकार के और अधिक आयोजन किये जाएंगे। जिससे क्षेत्र के युवाओं को और अधिक रोजगार मिल सके। जिससे वे अपना सामाजिक नर और अधिक मजबूत कर समाज की उन्नति करें। इस आयोजन को सफल बनाने हेतु भारत सरकार से आगे प्रोत्तिवर्धों तथा कॉलेज के शिक्षकों व कर्मचारियों का विशेष योगदान रहा। उपर नौकरी मिलने के बाद छात्र-छात्राओं में खुशी का लहर दौड़ उठी।

SUCCESS MANTRA FOR PLACEMENT

TO bridge the gap between university curriculum & industry requirement, we are providing **FREE OF COST IN HOUSE TRAINING** programs by industrial experts in addition to the academics. Following training programs starts from 2nd year onwards:

- Soft Skill Training:-** Aptitude, Group Discussion, Personal Interview, Extempore, Communication Skill, Leadership Training, Dress sense, Protocol, Fine Dining
- Technical Training:-CS/IT/MCA:-** ML, AI, Data Science, Java, DotNet, CRM, PhP, IOT, Python, RedHat Linux, Objective C, Mobile Programming (Android, IOS, Windows), Hadoop/Bigdata.
ME:- CAD/CAM, Robotics, Auto CAD, Solid Works, ANsys, C Language, Python
Civil:- Auto CAD, Stadd-Pro, Prime-Vera, MS Project, PMP, C Language, Python
ECE:- Embedded Systems, PLC/SCADA, Industrial Automation, LTE, Robotics, MATLAB, C Language, Python

- SSB Training for selection in Army/Navy/Air force.**

The performance of students in the above Soft Skill and Technical Training is regularly evaluated and monitored through the Online Examination Practice

BENEFITS OF INHOUSE TRAINING PROGRAMME

These unique facilities and programs have benefitted our students tremendously, showing striking improvement in their personality, self confidence and employability. The college can take justifiable credit for the following.

- 15 Students of B.Tech. 3rd Year CSE are placed in NOVOINVENT (US Based Company) @ pkg of 6.5 Lac in 2020.
- Android training conducted by college resulted in development of 15 Live Apps active on Google Play Store. Through this training our 60 students placed in IBM, Mobillitte, NIIT & Optimus.
- A large number of proud RDECians got campus placement in Army, Airforce & Navy and have got commissioned.
- 180 students of B.Tech. IIIrd year are doing training on PYTHON programming (A machine learning language) which will result in better placement on higher package.
- As a result of our training, students of B.Tech Civil and Mechanical Engineering qualified Online Global Certification Test Conducted by Autodesk (USA). **More than 150 students secured above 80% marks, a tremendous achievement by Industry standard.**
- NASSCOM- ARICENT** TRAINING/Employability Enhancement program- **Arise By Aricent** being conducted in our college by training partner **Centum Foundation-A Bharti group of Company**. Several engineering college of Delhi NCR are part of this program and we have ranked **2nd** among them.
- We have tie up with **Army Base workshops** one year paid apprenticeship conducted by Govt. agencies for students to make them competent to appear in Govt. Jobs, Defence forces, Ordnance factories, railways, PSUs for B.Tech. ME/ECE.
- The performance of students is regularly evaluated & monitored through **Studybud** Online Platform for QA, LA & VA. The key benefits of this platform are that student can view online video, lectures of soft and technical skills.

Above training programs & learning at Innovation Centres helped our students to achieve 88% placement through Campus Drive in all the previous years.

ITCRC

For placement of our students, the college has established
“INDUSTRIAL TRAINING & CORPORATE RESOURCE CENTRE”
 within college campus in association with the leading companies
 ---This facility is the only one of its kind & is totally free of cost.

The final year engineering students of RDEC selected by companies work on their live projects. This facilitates, based on their performance, the placement of students in these companies before they pass out from the college. Further, at the completion of live projects the certificates are given by the respective companies to the students relating to their training /project work.

R. D. Engineering College is the only one to provide this kind of facility to its students which enables the students in getting assured placement. The companies get ready expert technical hands, familiar with the company's product profile. As a result the students do not require any training after joining the company as they have already completed their training/ live project at college premises during the final year of B.Tech./ MBA/ MCA.

 R.D. Engineering College Technical Campus
 Ghaziabad (U.P.)

Subject: MIT Engineering Project at RDEC, Ghaziabad

Dear Sir,

This is to certify that we have agreed to open and Innovation Centre at R.D. Engineering College, Ghaziabad to provide industry experience to the shortlisted students. The centre is to be located in the college premises. The college is providing entire required infrastructure for the purpose.

The candidates to be shortlisted will be from of B.Tech 3rd year. R Systems will try to absorb finally selected students depending on our business requirement.

These students will work on Live Projects with the help of our Specialist Trainers. After successful completion of training program, all the selected candidates will get the Experience Certificate from us. We wish our relationship will give Trained Pool of candidates to the industry.

Thanks & Regards
 For R Systems International Ltd.

Department of Electronics & Communication Engineering

The Department of ECE offers B.Tech in ECE to fulfill the more acute need of the development of the country by producing qualified and technical engineers.

Academics

- 50% of appeared students qualified GATE 2020 Exam
- Vishal kumar topped college with 91% marks in 3rd semester
- 100% result in IC subject with Average marks 59%
- 100% result in POC subject with Average marks 56%

Research Promotion

-  **Techovation** (Technology + innovation)- CRD (Center for Research and Development) is setup by Department of ECE.
- **Vision** : To create an atmosphere of scientific temperament, innovation and creativity among the students
- **Mission**: To inculcate the spirit of learning in actual form via different technical activities.

Faculty Development

- **Prof. Vishal Upmanu's** research paper published in Springer
- **Prof. Sachin Mittal** attended FDP on cyber Network Defense & Cyber law at ALTTC, Ghaziabad
- **Prof. Mohit Kumar Singh** appointed as mentor of change by Atal innovation Mission, NITI Aayog
- **Prof. Pooja Sharma** attended FDP on Electrochemical Energy Generation & Storage Materials at IIT, Kanpur

प्रोजेक्ट मुखवीर: दी स्पाई रोबोट स्पेशली, इंडियन आर्मी के एक्सट्रीमली डेंजर कार्य के लिए तैयार

मुरादनगर (करंट काइम)। नगर क्षेत्र में दिल्ली मेट्रो मार्ग दुहाई स्थित आर.डी. इंजीनियरिंग कॉलेज के इलेक्ट्रॉनिक्स विभाग के छात्रों द्वारा सेना के लिए मुखवीर नाम से जासूसी रोबोट तैयार किया। जिसको देश में तीसरा स्थान प्राप्त हुआ। प्रतियोगिता का आयोजन आधिकारिक फाउंडेशन नाम के एनजीओ ने किया था। जिसमें देश के विभिन्न तकनीकी संस्थाओं से 160 से अधिक प्रोजेक्ट शामिल हुए। सोशल मीडिया साइट फेसबुक पर इस प्रोजेक्ट को सबसे ज्यादा लाइक मिले। इसके पश्चात आई.आई.टी एवं आई.आई.एम के अध्यापकों के एक पैनल ने सभी प्रतिभागियों से ऑनलाइन बात करते हुए प्रोजेक्ट से संबंधित प्रश्न पूछे। परिणाम के अनुसार महाराष्ट्र के छात्र प्रथम, राजस्थान के छात्र द्वितीय एवं उत्तर प्रदेश के आर.डी. इंजीनियरिंग कॉलेज के छात्रों को तृतीय स्थान प्राप्त हुआ। प्रोफेसर मोहित के मार्गदर्शन में निमित्त इस प्रोजेक्ट के लिए तृतीय वर्ष के छात्र विवेक सिंह,

तालिव, रितेश विट एवं ऋतिक सिंघाव ने काफी मेहनत की। उन्होंने बताया कि यह प्रोजेक्ट मुखवीर – दी स्पाई रोबोट स्पेशली इंडियन आर्मी के एक्सट्रीमली डेंजर कार्य के लिए बनाया गया है। इस रोबोट में तीन नाइट विजन कैमरा, शूटिंग गन और फायर फाइलिंग का उपयोग किया गया है। इसे किसी भी टैपेटों और इसके रिमोट से 500 मीटर तक कंट्रोल किया जा सकता है। विभागाध्यक्ष विशाल उपमन्यु ने बताया कि विद्यालय के चेयरमैन राकेश शर्मा समय-समय पर छात्रों एवं अध्यापकों को रिसर्च के लिए प्रोत्साहित करते रहते हैं। जिसके फलस्वरूप रिसर्च अध्यापक ही नहीं अगितु छात्र भी आज इस प्रकार के कार्यों में बढ़ चढ़कर हिस्सा ले रहे हैं। कॉलेज की इस नीति के कारण पूर्व में भी विद्यालय के वरिष्ठ अध्यापक पंकज कुमार सिंह दो पेटेंट हासिल कर चुके हैं। इसके अलावा कई अन्य छात्र भी विभिन्न अंतरराष्ट्रीय मंचों पर अपने पेपर पब्लिश कर चुके हैं। विद्यालय खुलने पर छात्रों एवं संबंधित अध्यापकों को कॉलेज प्रबंधन एवं निदेशक द्वारा सम्मानित किया जाएगा।

Department of Mechanical Engineering

The Department of Mechanical Engineering offers B.Tech. Program in Mechanical Engineering and M. Tech in Thermal Engineering to provide talented youth of the country to achieve their highest potential in the field of engineering.

Academics

- Active help and inspiration to our students for appearing in various competitive exams like GATE, GRE, IAS, IES etc. with excellent results

Research and Development

- Providing an environment conducive to enthusiastic participation of our students in exploring new ideas and implementing them in practical innovative projects.
- **Vision**: To achieve heights of educational excellence in the field of Mechanical Engineering where the name of ME Department of RD Engineering College becomes synonym with the best Institutions in this field.
- **Mission**: To equip our students with the state of art technical knowledge and skills so that they are able to stand out in their chosen profession through the use of their theoretical as well as practical innovative endeavour.

Faculty Development

- The faculty members are regularly encouraged and provided full support to update themselves through attending faculty development programs by the university and other eminent organisations, indulge in meaningful research in various fields of their choice results of which are published in eminent journals along with participating in and presenting their research papers in various prestigious seminars of national as well as international level, exposing them to the latest developments in technology and education.

- **Prof. Sanjay Paliwal, Prof. Yogesh Gupta, Prof. D S Chauhan and Prof. Vardan Parashar** published many research papers in national and international journals.
- **Mohd. Shueb** attended a Work Shop on “**Virtual Laboratories**” at IIT, Kanpur Sponsored by MHRD.
- **Mr. Vimal Chaturvedi** attended FDP on “**Mechanics of Solids**” Sponsored by AKTU, Lko.
- **Mr. Chirag Sharma** attended a national Work Shop on “**Advances in Materials**” sponsored by AKTU, Lucknow.
- **Mr. Sushil Kumar** attended two weeks FDP on “**Next Generation Materials and Manufacturing**” sponsored by AICTE, New Delhi.
- **Mr. Pawan Yadav & Mr. Durgesh Yadav** attended a week FDP on “**Solar Energy-A Sustainable Future**” sponsored by AKTU, Lko.

Our students participated and won 1st prize in the “Innovation Dialogue Conference” organised by innovation centre council of science & Technology, U.P. (Department of Science & Technology, Govt. Of U.P.)

Our students actively participated in the International Tool Expo On the Behalf of various multi-national companies.

Extra Activities

“Fusion Car” Designed and assembled in college workshop which is controlled by mobile remote system.

One day workshop on Pneumatic and Hydraulic control which is operated and controlled by software.

A one day visit in DIET, Delhi for learning modern machines operation

Department of Civil Engineering

R D Engineering College offer B.Tech in Civil Engineering to fulfill the gap between industry & academic with Special focus on all competitive Exams.

Academics

- 50% students of civil department of final years qualify for GATE 2020.
- Atif, student of 3rd semester secured 89% marks & created record amongst minorities students in AKTU.
- 100% results in maximum subjects with good average marks.

Faculty Achievements & Developments

Dr Pankaj Singh(Dean- Research & developments) PUBLISHED PATENT on “**PASTE DETECTION AND CONTROL SYSTEM FOR SMART FARMING USING IOT**”(Issue No-51/2019 dated 20/12/2019) & applied for **2nd Patent** on **RIVER & WASTE WATER CONTAMINATION TREATMENT USING FLY ASH AND MICRO ALGAE**. Both the Patents are well appreciated a lot by industries and academic both circle. He has also published many Papers on waste water treatments & environmental protections; latest one published in **Thomson Reuters journals** as Wash water treatment using fly ash alone or in combined form.

The MBA Programme- Department of Management Studies

Provides professional education in a flexible academic package synergized with latest applications of information technology, research workshops, skill development & entrepreneurship programs. Teaching at RDEC is highly practical & focused on developing the overall personality of the student. Besides imparting theoretical knowledge, the curriculum lay impetus on developing analytical skills, communication, problem solving and team work abilities.

The curriculum is being constantly updated by the university with the changing national and international business environment. Following the Kaizen concept, a continuous endeavor is made to improve the course design, core readings and the periodic examination process. The emphasis is on creating a 'modular' way of teaching which includes the participation of both the faculty and the experts from industry.

Dr Gaurav Bansal is heading the Department of Management Studies (MBA). He has 17 years of teaching and research experience in the field of "Finance and Accounting". He has published 13 papers and presented 25 papers in National / International Journals and conferences. He has been invited as judge in various conferences and seminars organized by different universities and management colleges. He has been honoured by "Proactive Leadership Award 2019" in the education field.

Key Features

Our Specializations

This programme offers “**Dual Specialization**”. Students can opt the two fields as Major and Minor in their 3rd semester.

Best Practices of MBA Department

- Bridging Industry-Academia skill gap through organizing Expert talks by Industry persons on wide range of Mgmt. issues.
- 100% placement with good package in MNCs and other reputed companies.
- Organizing Outbound Training Programmes for MBA students on overall development.
- Initiating Mini research projects for MBA students in order to equip them with research and analytical skills.
- Conducting visits to industries located in and around Delhi NCR.
- The students of 4th semester presented research paper in National Conference.
- Dr. Gaurav Bansal presented a research paper of Finance in National Conference.
- Faculties are updated by Research paper presentation/publications and Faculty Development Programmes in the areas like Social research, innovative teaching and Business Analytics etc.

Department of Master of Computer Applications (MCA)

The Department of Master of Computer Applications (MCA) was established in 2008 with an intake of 60 students per year but due to the continuous growth rate now university increase intake from 60 to 120 seats. The Department offers this course, which is of 2 years duration.

Technical Training

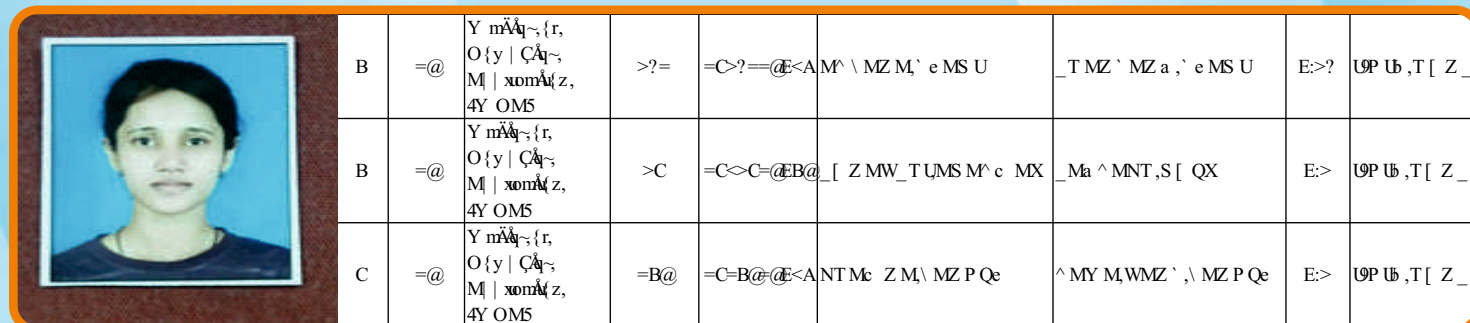

The MCA department provides training on latest technology (like Python, Advanced JAVA, Android, Big Data, IOT and Machine Learning etc) along with the academics. It is our “Success mantra”. These trainings are more beneficial for our students and they get good placement in MNCs.

Students can join the followings fields after getting MCA degree

Star Performers

Ms Arpana Tyagi (Batch 2017-19 & Roll No- 1723114905) got 6th rank in AKTU.

I'm Jyoti Rani and I am Quality Analyst Software Engineer at NIIT Technologies. In 2019 during the placement I was placed in NIIT at a package of 3.5 lacs per annum it is because of the efforts put our faculties and training and Placement cell, which always make sure that students get placed in the best company in the market. R.D Engineering Collage provides a great exposure to student by organizing different activities which are very helpful for every student for deciding their future field

SOME OF THE PROJECTS ACCOMPLISHED BY RDians AFTER INHOUSE TRAINING

Semi-autonomous electrical Go kart

ME-3year students made a semi-autonomous electrical GO kart which means it can be driven by both human or human less. It has a 800 watt electric motor which gets power from 4 battery and 12volt each battery connected to a controller.

It can go upto 60km/hr top. For braking we have used hydraulic disk brakes for proper and instant braking.

To make it semi-autonomous I-C reciever, relay and a bluetooth device is used. So can be controlled from mobile with the help of an developed applicaton .

For safety purpose we included a roll cage above the driver seat . It is developed under the guidance of Prof. Sanjay Paliwal (Dy. Director)

Google/ Apple Apps by RDECians

Rain Water Harvesting project by RDIANS.

RDEC in association with and funded by Parle group has undertaken a most emotional, devotional and socially connect, but sufficiently proven mission prog. worth of Rs. 35 lakh to quench the thirst of mother earth. The programme is led by pre-final and final year students of Civil and ME deptt. under the guidance of Prof. Sanjay Paliwal (Dy. Director), Prof. Yogesh Gupta and Prof. (Dr.) Pankaj Singh (Hod-Civil).
