## R. D. Engineering College, Ghaziabad College Code-231

Approved by AICTE & Affiliated to Dr.APJ Abdul Kalam Technical University, Lucknow

Name of the Activity:-“Tree Plantation”

Date:- March 01, 2023

Duration: 2Hrs. (120min)

Organizer: R.D. Engineering College, Ghaziabad

Faculty Coordinator: - Mr. Chirag Sharma

No. of student participated: 150-160.

Venue: DUHAI Village

The Tree plantation activity on an individual basis. The objective of this tree plantation was to create awareness about “Plant Tree – Save Planet”. Tree plantation aims to save the environment, a forestation and make the surrounding clean and green through a major Tree Plantation Activity.

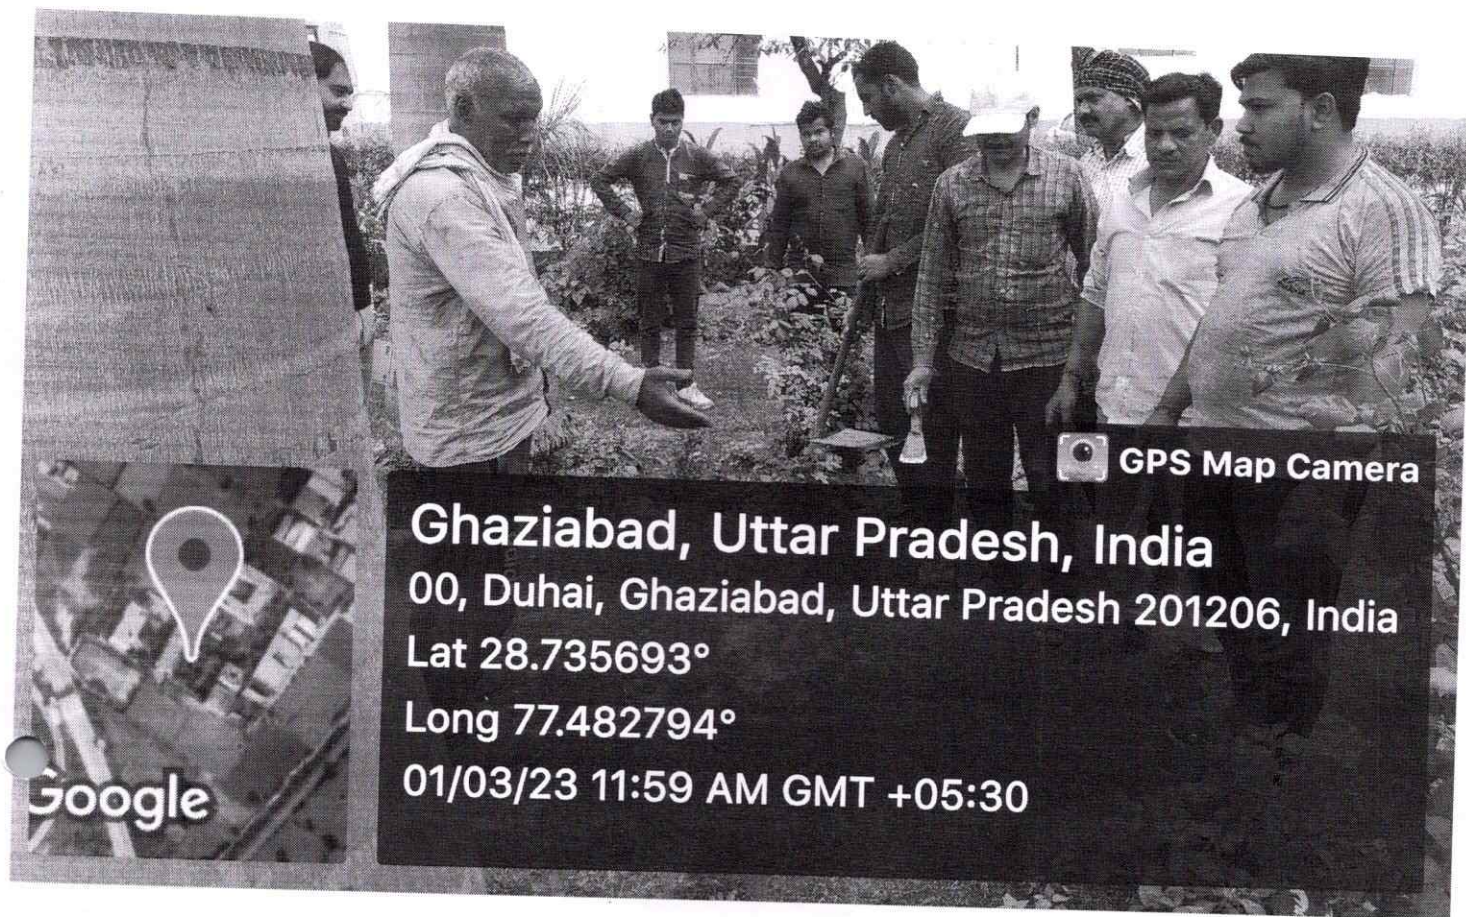

During the Event the some of the feedbacks are as follows by many faculty members with their students:

1. “It was a very good experience to follow this tree plantation drive for saving our earth from global warming and producing more and more oxygen.”
2. “It was a great feeling to re-bond back with nature. I felt motivated and loved.”
3. “It was an amazing experience by planting trees. I was happy that at least this much I can do for our nature which provides us all the resources.”
4. “It was challenging for me because our cooperative society was not permitted to plant any tree as it was private so we had planted the same in pots. Else than it was a good experience as it will help us and also the environment.”
